

Certified Weed Free

Stable Mix™

With Glucosamine and Chondroitin

A complete feed for mature horses.

GUARANTEED ANALYSIS:

Crude Protein, (min %) 8	Sodium, (max %) 0.7
Lysine, (min %) 0.25	Magnesium, (min %) 0.2
Crude Fat, (min %) 2.5	Potassium, (min %) 1.0
Crude Fiber, (max %) 30	Copper, (min ppm) 20
Acid Detergent Fiber (ADF), (max %) 34	Selenium, (min ppm) 0.3
Neutral Detergent Fiber (NDF), (max %) 45	Zinc, (min ppm) 100
Calcium, (min %) 0.5	Vitamin A, (min IU/lb) 2500
Calcium, (max %) 1.0	Vitamin D, (min IU/lb) 250
Phosphorus, (min %) 0.2	Vitamin E, (min IU/lb) 50
Salt, (min %) 0.3	Glucosamine, (min ppm) 700
Salt, (max %) 0.6	Chondroitin, (min ppm) 240
Sodium, (min %) 0.2	

INGREDIENTS:

Mixed Grain Hay, Almond Hulls, Alfalfa Hay, Rice Bran, Ground Limestone, Monocalcium Phosphate, Yeast Culture, Brewers Dried Yeast, Dried *Saccharomyces Cerevisiae* Fermentation Solubles, *Lactobacillus Acidophilus* Fermentation Product, *Lactobacillus Casei* Fermentation Product, *Enterococcus Faecium* Fermentation Product, *Bifidobacterium Longum* Fermentation Product, *Aspergillus Oryzae* Fermentation Extract, Zinc Methionine Complex, Manganese Methionine Complex, Copper Lysine Complex, Cobalt Glucoheptonate, Magnesium Oxide, Vitamin E Supplement, Mineral Oil, Selenium Yeast, Manganese Sulfate, Biotin, Ethylenediamine Dihydroiodide, Vitamin A Supplement, Riboflavin Supplement, Thiamine Mononitrate, Vitamin D3

Supplement, Salt, Soybean Meal, D-Glucosamine HCL, Propionic Acid, Ammonium Hydroxide, Acetic Acid, Benzoic Acid, Sorbic Acid, Tartaric Acid, Verxite, Silicon Dioxide, Oil of Orange, Wheat Bran, Chondroitin Sulfate.

FEEDING DIRECTIONS:

When fed as the total diet with no other forage, feed at a rate of 1.5-2 lbs per 100 lbs of body weight. When fed in combination with hay, feed at a rate of 0.5 to 1.0 lbs per 100 lbs of body weight a day in addition to 1 to 1.5 % body weight as good quality hay. To receive the full benefit of 2,000 mg of glucosamine and 700 mg of Chondroitin, you must feed at least 6 pounds a day per horse. Horses should always have access to salt and fresh clean water.

WARNING: Feed Stable Mix according to the feeding instructions provided on the feed tag, or upon the advice of your nutritionist. Feeding additional vitamin or mineral supplements is not recommended when feeding Stable Mix according to feeding instructions. Do not add other sources of selenium that cause total dietary selenium (forage and grain, combined) to exceed 0.3 ppm. Stable Mix should not be fed to sheep as it may result in copper toxicity.

CERTIFIED WEED FREE:

Under California Food and Agriculture Code Sections 5101 & 5205. All seeds and materials contained in the product have been rendered inert and cannot germinate.
